

New Homework Expectations

Parents,

In an effort to help all students complete homework in a timely and efficient manner, we would like to make a few adjustments.

Starting the week of 11/7/2016, the following assignments will be given weekly/monthly:

Math

One topic per night. 10 points will be given to students who turn it in the next day.

Reading

Reading logs are due at the end of each month. Each log should have a minimum of 100 minutes per week completed. Book title, minutes read, and parent initials are all required. Reading logs will be worth 100 points and are due the last school day of each month.

Paragraph of the week will be given out on Monday and can be turned in Tuesday, Wednesday, or Thursday of the same week. 20 points will be given to students who turn their papers in on time and have to following expectations: Minimum of five sentences including (introduction, details, and conclusion), proper grammar, proper use of capitalization and punctuation.

Text Connections are no longer required. Please make sure your child is comprehending what they read during their nightly independent reading time.

Projects

Projects will be given out at the beginning of each month. They will be **extra credit** and accepted by the last day of the month. Early projects are permitted.

We hope these new accommodations help your child succeed.

Thank you,

Second Grade Team
